Re: Invitation for a short-term unpaid visit to Concordia University

Dear Professor Hongyan Li,

Further to our recent discussion on possible collaborations between our two research groups, I am writing to formally invite you as a Senior Visiting Researcher to spend three weeks, extending from 31 August to 21 September 2017, in Concordia University. This unpaid visit aims at initializing and consolidating on a number of topics that interest both of us and can pave the way for future collaboration. The suggested itinerary for your visit is as the following:

Week 1

- Invited presentation at Concordia University
- ONE-day workshop at WSCC lab
- Identifying Canadian and Chinese hotspots of water security
- Identifying possibility of joint PhD supervision

Week 2

- Brainstorming I on hydrological modeling
- Brainstorming II on climate change impacts and water resources
- Brainstorming III on climate change impacts and natural hazards
- Brainstorming IV on data availability

Week 3

- Brainstorming V on joint paper writing
- Brainstorming VI on joint proposals

I am looking forward to hosting you at Concordia.

Sincerely yours,

Ali Nazemi, PhD

Assistant Professor (Department of Building Civil and Environmental Engineering)
Faculty of Engineering and Computer Science
Concordia University
Montreal, Quebec
Adjunct Professor (Global Institute for Water Security and School Of Environment and Sustainability)
University of Saskatchewan
Saskatoon, Saskatchewan
